Royalties

Royalties are paid only for books that participate in our distribution program. Books ordered by authors are not eligible for royalties.

For Print Books:

We pay 35 percent of the list price for each print book sold directly to a consumer or through our website, and 10 percent of the list price on any print book sold indirectly through distributors and resellers, such as Ingram, Baker & Taylor, Amazon.com and Barnes and Noble.

For e-Books:

We pay 55% of the list price.

How often royalties are paid

We pay royalties on a quarterly basis once the total cumulative amount of your account exceeds \$10.00.
